

Financial Support Application

Please complete this form and email to hardship@brandedfinancial.com

If your circumstances have changed recently and you're unable to manage your loan repayments, our confidential financial support service may be able to help. Financial difficulty could be due to an unplanned life event such as a change of income, illness, a relationship breakdown, a reduction in your business cash flow, or emergency events like natural disasters.

The first step is to fill out this form. If you're eligible, you can ask us to make changes to your loan – like short-term repayment relief or restructuring your loan so you have a little longer to pay.

Please try to fill out everything on the form as it will make it easier for us to assess your eligibility. If you're unable to complete everything, we'll contact you and work through it with you.
